**BHAGAT PHOOL SINGH MAHILA VISHWAVIDYALAYA  
KHANPUR KALAN**

## RESPECTFUL TRIBUTE

Bhagat Phool Singh Ji  
(1885-1942)

Born on February 24, 1885 at Mahra Village in Sonapat District, Bhagat Phool Singh was a visionary noble soul. His firm belief in empowerment and emancipation of women through education led Bhagat Phool Singh to establish a Gurukul for girls at Khanpur Kalan in 1936. The anti-social elements did not appreciate the idea of women's education and consequently killed Bhagat Phool Singh on August 14, 1942.

Subhashini Devi  
(1914-2003)

Bhagat Phool Singh's legacy and philosophy was continued by his daughter Subhashini. She established various present day constituent Institutes of Bhagat Phool Singh Mahila Vishwavidyalaya through philanthropic means. The Government of India recognized her services to society and conferred the title of Padamshri on Subhashini in 1976.

### *Vision*

*BPS Mahila Vishwavidyalaya's vision is to make a profound difference in the lives of women by empowering them to attain their full potential through pursuit of knowledge, acquisition of skills, development of character and self esteem, and recognition of their rights and responsibilities.*

## Vice Chancellor's Message

### Dear Student

It gives me immense pleasure to welcome you to Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV), which has its roots in Gurukul traditions. The unique blend of tradition and modernity is reflected through various programmes offered by the university through its teaching departments, constituent colleges, Institutions and Centers of Excellence like Centre for Society University Interface and Research (CSUIR), Centre for Indic-Asian Studies (CIAS), Learning Resource Centre (LRC) and Human Resource Development Centre (HRDC). BPSMV's recognition at international level has been well received due to its active Memoranda of Understanding (MOUs) with international agencies like United Nations' Development Programme (UNDP), Institute of Company Secretaries of India (ICSI) and St. Catherine University, USA. Through these MOUs, both the students and staff get opportunities to enrich their knowledge of the latest developments in the concerned domains. I would like to share the good news of enabling 54 rural women to get gainful employment after being trained at UNDP's Regional Skills' Development Centre established at BPSMV. Besides this we have signed an MOU with Hero Motocorp for imparting driving training to the university students and women from adopted villages.

Besides the conventional academic activities, the university has been constantly furthering the national initiatives of social change like *Beti Bachao Beti Padhao*, *Rashtriya Swachhata Abhiyan*, National Unity Day etc. Our sustained efforts in this direction have resulted in BPSMV getting 'Emerging Women University of India Award' and 'Clean Campus Award' from National Institute of Cleanliness Education and Research, Delhi. In order to provide world class infrastructure, various construction activities have been completed in the last year and a few are near completion.

BPSMV has been fortunate to receive unstinted financial and administrative support of both State and Union Governments. I thank the Hon'ble Chancellor and Governor of Haryana Prof. Kaptan Singh Solankiji and Honourable Chief Minister of Haryana Sh. Manohar Lal ji for their support and guidance to the University.

I believe that Education should enable one to be a world citizen and ambassador of cultures across world. The University would expect you to enlighten the world through the education and values acquired while being a student of BPSMV.

Once again I welcome you to BPSMV with the following lines said by **Sarvepalli Radhakrishnan** to be your guiding force.

**“My Ambition is to unfold the Sources of India in the Profound Plane of Human Nature”**

Best Wishes

**Prof. (Dr.) Asha Kadyan**  
Vice Chancellor

## The University

### Brief Introduction

Today's Bhagat Phool Singh Mahila Vishwavidyalaya is the 'dream come true' of Bhagat Phool Singh Ji who established a *Gurukul* for girls at Khanpur Kalan in 1936. After the demise of Bhagat Phool Singh, his daughter Subhashini not only took control of *Gurukul* but worked vigorously in expanding it in terms of its various constituent institutions like BPS Memorial Girls' College (1967), BPS College of Education (1968), MSM Ayurvedic College (1973), BPS Mahila Polytechnic (1984), TIG Bhainswal Kalan (1999) and PSD Girls' Law College (2003).

The State Government of Haryana upgraded the erstwhile *Gurukul* to the status of a University exclusively for women in August 2006 and christened it as Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV), which happens to be the first State Women University of North India. Since then BPSMV has undergone a complete transformation; the *Gurukul* started with only three girls has turned into a modern university with approximately 6500 students on its rolls studying in various job oriented programmes from KG to PhD level. The university has established its two regional centres at Kharal (Jind) and Lula Ahir (Rewari).
