RESPECTFUL TRIBUTE

Bhagat Phool Singh Ji
(1885-1942)

Born on February 24, 1885 in Mahra village of Sonapat district, Bhagat Phool Singh Ji was a visionary noble soul. His firm belief in empowerment and emancipation of women through education led him to establish a Gurukul with 03 girls at Khanpur Kalan in 1936. The anti-social elements did not support Bhagat Phool Singh Ji's seminal idea of women's education and consequently assassinated him on August 14, 1942.

Subhashini Devi
(1914-2003)

Bhagat Phool Singh Ji's assassination could not kill the idea of women's education. His legacy and philosophy were continued by his daughter Subhashini. She tried hard to persuade the parents in the nearby villages to get their girls educated and also appealed the rich landlords of the area to donate their land for the noble cause of girls' education. The Government of India recognized her service to the society and conferred Padmashree on Subhashini in 1976.

Vision

Bhagat Phool Singh Mahila Vishwavidyalaya's vision is to make a profound difference in the lives of women by empowering them to attain their full potential through pursuit of knowledge, acquisition of skills, development of character and self esteem, and recognition of their rights and responsibilities.

VICE CHANCELLOR'S MESSAGE

Dear Student,

Welcome to Bhagat Phool Singh Mahila Vishwavidyalaya, Khanpur Kalan (BPSMV)!

I appreciate your decision to study at North India's first State Women University created in August 2006 to impart qualitative higher education and facilitate holistic development of its students. I take this opportunity to pay my respectful tribute to Bhagat Phool Singh Ji, the revered founder of the erstwhile Gurukul for girls at Khanpur Kalan. It was his seminal idea to educate rural girls for their emancipation and empowerment. Bhagat Phool Singh Ji's noble idea of women's education was a revolutionary progressive step in those difficult times which culminated in today's BPSMV. Being driven by the slogan 'Women Empowerment through Education'; our primary aim is to prepare educated women equipped with modern techniques, skills and technology but grounded in Indian values, culture and heritage. Naming of all University Hostels on the names of great Indian women and having such great women on BPSMV's calendar 2019 shows our commitment to be guided by rich Indian past and to present before our students a source of inspiration. Because BPSMV owes its genesis to the Gurukul system, juxtaposition of tradition and modernity has been our unique strength.

BPSMV has undergone huge expansion on both academic and infrastructure fronts. We have added students' activity complex and sports complex to the existing infrastructure. On academic front, BPSMV offers PhD in 10 subjects, M.Phil in 03 subjects, Post Graduation in 25 subjects, Graduation in 21 subjects, PG Diploma, Diploma and Certificate programmes in 31 subjects through its 17 University Teaching Departments, 03 Constituent Institutions, 05 Centers of Excellence, 02 Regional Centers and 05 Affiliated Women Colleges. Considering the long pending demand of the local community and our own students, we have decided to introduce M.Sc in Physics, Chemistry and Geography from the current session. Our students have been getting good placement offers from reputed organizations especially in Foreign Languages, Social Work, Fashion Technology, Engineering, Management, Hotel Management and Ayurveda sectors. We have also signed MOUs with foreign universities and organizations so that international exposure could be provided to both students and faculty members. BPSMV's safe, secure and serene lush green campus spread over 400 acres facilitates comfortable ambience for learners.

Having enumerated the facilities and programmes, I believe, a university is because of its students. We aspire to create a culture of quality and research at BPSMV. I expect the same from you and all other prospective students wishing to join BPSMV. The University would want your participation and sincere commitment in building BPSMV as one of the premier universities of the world, where tradition, technology and modernity complement each other. I want you to learn and educate yourself at BPSMV in accordance with the vision of Bhagat Phool Singh Ji and his daughter Padamshree Subhashini Ji.

Once gain I welcome you to BPSMV and convey my Good Wishes to you and your parents!

Let us come together and create an enlightened world!

वन्दे मातरम्!

THE UNIVERSITY

Brief Introduction

The seed of today's Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV) was sown way back in the year 1936. The journey began with the establishment of a Girls' Gurukul with three girls in the first batch at Khnapur Kalan by revered Bhagat Phool Singh Ji whose seminal idea of empowering women through education was a revolutionary progressive giant step. The idea in fact could be termed as a precursor to today's *Beti Bachao Beti Padhao* campaign. The erstwhile Gurukul established purely through philanthropic means not only expanded but also became a sought after centre of higher learning and education for girls. Bhagat Phool Singh Ji's vision and the hard work done by his daughter Padamshree Subhashini turned the Gurukul into a premier institution modeled on Indian values and ethos. It was in August 2006, the Government of Haryana thought of giving a firm shape to the idea conceived by Bhagat Phool Singh Ji and upgraded the Gurukul and its constituent institutions to a women's university mandated to further the original idea of Bhagat Phool Singhji; "Women Empowerment through Education". Since then BPSMV has expanded on all fronts and offers a range of academic job oriented programmes touching almost all aspects of life and career. Establishment of University's two Regional Centres at Kharal (Jind) and Lula Ahir (Rewari) and affiliation of 05 women colleges with BPSMV is the testimony of its commitment and growing stature. BPSMV enjoys the distinction of being a university practicing 'University Society Interface' through community engagement, which is its core strength.
