Vice Chancellor's Message

Dear Student,

Welcome to Bhagat Phool Singh Mahila Vishwavidyalaya, Khanpur Kalan (BPSMV)!

BPSMV is a university uniquely modeled with fine balance of tradition and modernity. Established as Gurukul for girls in the year 1936, for empowering women through education and further developed into a set of institutions by his daughter Padamshri Subhashini Ji, BPSMV is driven by the motto of societal growth through women's education. Besides offering qualitative education at affordable cost to rural women, the University has also created a rare interface with the society through its special centers like CSUIR, CIAS, HRDC and University teaching departments.

I have great pleasure in sharing that in 2019 the university won two Global Awards for being the "Best Upcoming University" and "the Best University in Social/Community Engagement and Impact". Last year, we have become partners in *Unnat Bharat Abhiyan*, established National Resource Centre for Philosophy, organized Mission Sahashi, Gynatosav (festival of knowledge) and North Zone Inter-University Women Kabaddi Championship at our campus.

In order to provide international opportunities to our teachers and students, the university has signed MOUs with Durban University of Technology, South Africa; St. Catherine University, USA for Academic Exchange of Ayurvedic Studies; National Cooperative Union of India (NCUI), New Delhi; United Nations Development Programme (UNDP); Shiksha Sanskriti Utthaan Nyaas, Delhi; Haryana Vishwakarma Skill University, Palwal, Haryana; Bhagat Phool Singh Government Medical College for Women, Khanpur Kalan and Bhartiya Shikshan Mandal.

As of now, we are passing through a difficult phase due to COVID-19. The pandemic has affected all aspects of human life compelling us to introspect and analyze the reasons for the crisis of such a huge scale. I think the pandemic has also taught us few good lessons such as becoming self reliant (आत्म निर्भर) and physically & spiritually strong. We as a nation, led by our Honorable Prime Minister Shri Narendra Modi Ji have stood the test of time and have been able to collectively manage the pandemic better than many developed countries. Certainly the crisis has brought in a new normal way of life. Education has also been redefined. It is increasingly being digitalized and the stakeholders are being trained to handle the new ways.

Like any other higher education institution, BPSMV is getting equipped to facilitate the new ways of teaching and learning. The university is trying to develop into a digital university with high speed internet access. Being driven by the slogan 'Women Empowerment through Education', our primary aim is to produce educated women equipped with modern knowledge, skills and technology and grounded in Indian values, culture and ethos.

BPSMV has undergone huge expansion on both academic and infrastructure fronts. Almost every facility required for effective teaching learning ambience is available on the university campus. The range of programmes listed in the ensuing pages of the Prospectus indicates the academic opportunities available at BPSMV. Being a women's university, it is our primary aim to nurture every enrolled student into a thoughtful, skillful and responsible citizen with leadership capacity. The students are enabled with human skills and spirit of service for the Nation through NSS and NCC units functional in the university. The pollution free environ and availability of all amenities of study and stay for the students make BPSMV a sought after destination for higher studies by girl students.

While welcoming you to BPSMV, I commend your decision to study at the University rooted in Indian ethos and values with a global outlook!

Best Wishes

Prof. Sushma Yadava
Vice Chancellor, BPSMV

Brief Introduction

The seed of today's Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV) was sown way back in the year 1936. The journey began with the establishment of a Girls' Gurukul with three girls in the first batch at Khanpur Kalan by revered Bhagat Phool Singh Ji whose seminal idea of empowering women through education was a revolutionary progressive giant step. The idea in fact could be termed as a precursor to today's 'Beti Bachao Beti Padhao' campaign. The erstwhile Gurukul established purely through philanthropic means not only expanded but also became a sought after centre of higher learning and education for girls. Bhagat Phool Singh Ji's vision and the hard work done by his daughter Padamshree Subhashini turned the Gurukul into a premier institution modeled on Indian values and ethos. It was in August 2006, the Government of Haryana thought of giving a firm shape to the idea conceived by Bhagat Phool Singh Ji and upgraded the Gurukul and its constituent institutions to a women's university mandated to further the original idea of Bhagat Phool Singh ji; "Women Empowerment Through Education". Since then BPSMV has expanded on all fronts and offers a range of academic job oriented programmes touching almost all aspects of life and career. Establishment of University's two Regional Centres at Kharal (Jind) and Krishan Nagar (Rewari) and affiliation of 05 women colleges with BPSMV is the testimony of its commitment and growing stature. BPSMV enjoys the distinction of being a university practicing 'University Society Interface' through community engagement, which is its core strength.
