- Suggestion for further improvement of curriculum.
- Add some personality development topics in the syllabus *In the last unit of syllabus add one activity related to the syllabus Should be practical based, and futuristic
- Improve the skills and have more practical teaching
- Career counseling for students after post-graduation.
- To use best curricular activities and best ideas for further improvement of curriculum
- There should be good bonding between the students and teachers
- More focus should be on project proposal, report writing. Presentation, programme organization, fund raising etc. which will be beneficial for future to getting job.

- Should be library related social studies...
- Curriculum Should be of such type which is related to social life and there should be a free system for providing technical education.
- Make it vocational for student
- Curriculum should be available on printed book which enhance the efficiency of reading learning of student
- Please avail more books or notes and keep a personal library in the department.
- Please give the information of MSW course in the villages specially for girls
- UGC Net preparation should also be provided to students....to be more confident after postgraduation.
- Need to be a library for improving the availability of the books and readings for the new generation Social Workers.
- Please add specialization filed in MSW
- However, the content of the syllabus is adequate but the focus should be more on generating strategies to transfer the skills
- There is need to availability of books of Hindi as well as English related to course curriculum which will be helpful the students who opted Hindi medium.
