2022-23

Bhagat Phool Singh Mahila Vishwavidyalaya

Khanpur Kalan, Sonapat, Haryana-131305

RESPECTFUL TRIBUTE

Bhagat Phool Singh Ji
(1885-1942)

Born on February 24, 1885 at Mahra Village in Sonapat District, Bhagat Phool Singh was a visionary noble soul. His firm belief in empowerment and emancipation of women through education led Bhagat Phool Singh to establish a Gurukul for girls at Khanpur Kalan in 1936. The anti-social elements did not appreciate the idea of women's education and consequently killed Bhagat Phool Singh on August 14, 1942.

Subhashini Devi
(1914-2003)

Bhagat Phool Singh's legacy and philosophy was continued by his daughter Subhashini. She established various present day constituent Institutes of Bhagat Phool Singh Mahila Vishwavidyalaya through philanthropic means. The Government of India recognized her services to society and conferred the title of Padamshri on Subhashini in 1976.

Vision

BPS Mahila Vishwavidyalaya's vision is to make a profound difference in the lives of women by empowering them to attain their full potential through pursuit of knowledge, acquisition of skills, development of character and self esteem, and recognition of their rights and responsibilities.

Vice Chancellor's Message

Dear Student,

I have great pleasure in welcoming you to Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV) and appreciate your thought to be part of BPSMV family.

Known as the 'university with a difference', BPSMV, because of its genesis and journey so far has established itself as one of the good universities committed to empower rural women and girls through quality and affordable higher education. While reading about the university and programmes it offers, mentioned on the next few pages of the Prospectus, you may realize that BPSMV is modeled on 'society-university interface' and 'tradition-modernity interface'. Being driven by the noble idea of our revered founder Bhagat Phool Singh Ji, 'empowerment of women through education'; the university is committed in taking good education to the doorstep of every rural women & girl.

As the world gets more competitive, thus the aims and objectives of education are being redefined and revisited. The National Education Policy (NEP) 2020 does recommend path breaking innovations in educational arena. The learners get the centre stage and are expected to be holistic individuals. BPSMV does offer all possible opportunities to its students in becoming critical thinkers and carriers of newer ideas. The academic programmes offered are a blend of modernity and ethos of traditional values. The university being situated on pollution free, safe and happening campus spread over 400 acres facilitates good opportunities of learning by doing. The NSS, NCC, sports, library, driving school, research laboratories, state-of-the-art language laboratory, good hostels, and facility to learn foreign languages reinforces holistic learning environment. We are in the process of creating new facilities for sports, research and recreation in the near future.

I am quite sure that you will find the university a distinct place to learn and grow into a versatile person. Your studentship with BPSMV is going to be a rewarding experience.

While welcoming you to the BPSMV family, I conclude by stating the seminal thought of Bhagat Phool Singh ji:

"भारतीय मूल्य प्रणाली में शिक्षित महिलाएं ही वास्तव में समतावादी और प्रगतिशील समाज का निर्माण कर सकती हैं।"

"Women who are educated in the Indian value system can bring about a truly egalitarian and progressive society."

Best Wishes

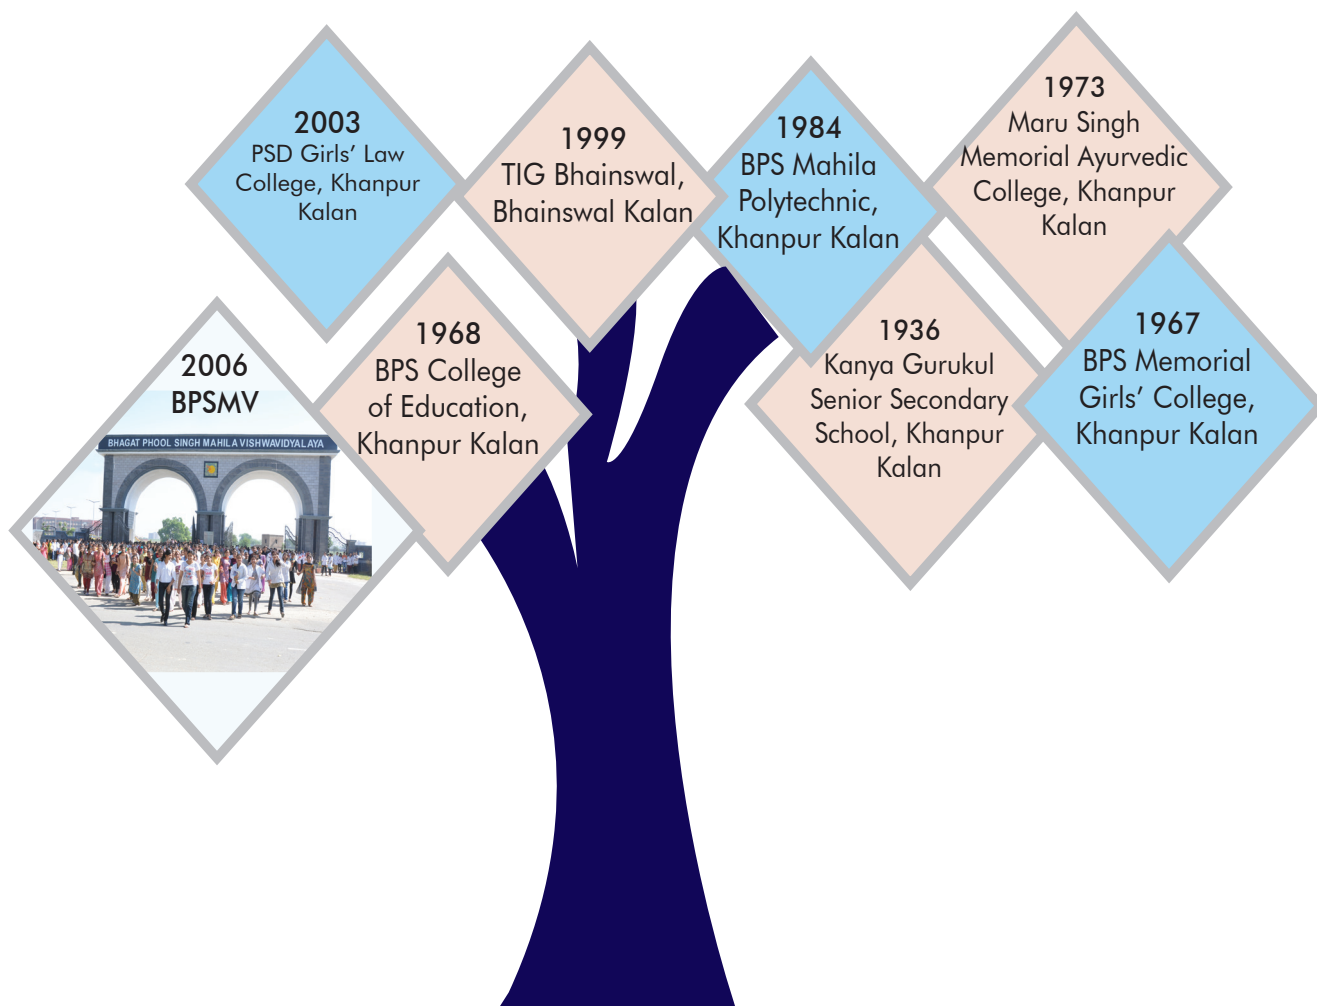

Prof. (Dr.) Sudesh
Vice Chancellor, BPSMV

Brief Introduction

The seed of today's Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV) was sown way back in the year 1936. The journey began with the establishment of a Girls' Gurukul with three girls in the first batch at Khanpur Kalan by revered Bhagat Phool Singh Ji whose seminal idea of empowering women through education was a revolutionary progressive giant step. The idea in fact could be termed as a precursor to today's 'Beti Bachao Beti Padhao' campaign. The erstwhile Gurukul established purely through philanthropic means not only expanded but also became a sought after centre of higher learning and education for girls. Bhagat Phool Singh Ji's vision and the hard work done by his daughter Padamshree Subhashini turned the Gurukul into a premier institution modeled on Indian values and ethos. It was in August 2006, the Government of Haryana thought of giving a firm shape to the idea conceived by Bhagat Phool Singh Ji and upgraded the Gurukul and its constituent institutions to a women's university mandated to further the original idea of Bhagat Phool Singh Ji; "Women Empowerment Through Education". Since then BPSMV has expanded on all fronts and offers a range of academic job oriented programmes touching almost all aspects of life and career. Establishment of University's two Regional Centres at Kharal (Jind) and Krishan Nagar (Rewari) and affiliation of 06 women colleges with BPSMV is the testimony of its commitment and growing stature. BPSMV enjoys the distinction of being a university practicing 'University

Society Interface' through community engagement, which is its core strength.

Salient Features

- BPSMV is spread over lush green, pollution free and serene campus of 400 acres and has its roots in ancient Gurukul system.
- The University is the first rural, multi faculty, residential and affiliating State Women University in the country.
- The University is well connected by road to NH1, Rohtak, Sonapat, Panipat and Delhi.
- The University offers completely safe and secure ambience for students.

Department of English

Brief Introduction

Established in the year 2007, the Department of English is one of the first University Teaching Departments (UTDs) created to offer qualitative and affordable programmes in English Studies. Driven by Indian grammarian and philosopher Bhartrhari's (570AD) statement scanned phrase that we take cognizance of the world through words, the department of English endeavors to evolve and strengthen the aesthetic, literary and linguistic understanding of life through literature and language. The key objective is to enable the enrolled students and scholars to become critical thinkers, proficient users of English language rooted in native culture and literary traditions. The Department is equipped with decent infrastructure and digital technology facilitating effective teaching learning ambience. The students are provided with a rich stock of books, magazines, newspapers and journals in the Department's library, reading room and networked computer facility. Besides academic rigor, the students are given adequate opportunity to participate in literary debates and discussions, presentations, sports, cultural activities and educational excursions & tours, conferences and workshops. As a special facility, the students are given an opportunity to learn and earn certificates in German, French and Russian languages. In order to improve communication skills of listening, reading, speaking and writing, the students are made to attend special classes in the university's Language Laboratory, which is one of the best in the region. The Department trains, assists and guides its students for securing placements in areas like teaching, public relations, call centers, technical writing, journalism, interpretation, translation etc.

Department of Foreign Languages

Brief Introduction

The Department of Foreign Languages has been established in the year 2007 with an objective of enabling the students to learn and acquaint with modern foreign languages and cultures of the world. Foreign language learning improves the intellectual capabilities of the students as people who speak two languages have more grey matter in the language region of the brain; the earlier they learned the language, the larger the grey area (Mechelli et al., 2004). A language represents the 'thought' of a culture (Humboldt) and learning a language allows one to come into contact with the 'thought' and culture of another society. Globalization and economic liberalization (India, 1991) increased the demand for foreign language experts dramatically. Currently the department designs and offers courses at various levels in three foreign languages; French, German and Russian.

Department of Electronics and Communication Engineering

Brief Introduction

Erstwhile, the department of Electronics and Communication Engineering was established as a part of School of Engineering and Sciences in the year 2008, initially department offers B.Tech programme with an intake of 60 students in Electronics and Communication Engineering. Since its inception, the department is committed for overall holistic growth and all round development of students for imparting a state-of-the-art and quality education, training and research. Efforts are under way to create state of art ICT aids, modern infrastructure and facilities for achieving excellence through the core support of rich faculty. The department runs the B.Tech courses as prescribed by the Directorate of Technical Education, Government of Haryana and as per model syllabus & scheme of examination of AICTE. Further, the department of Electronics and Communication Engineering was established as University Teaching Department in October 2013.

The Department has very good infrastructure and instructional facilities to cater the needs of students and 12 well equipped laboratories with major instruments, trainer kits, measuring instruments and simulation tools. The students have full and unconditional access to simulation software/tools like Matlab and its associated toolbox and blocksets, LabView, FPGA, COMSOL multi physics, Arduino Uno, Arduino Due, Raspberry pi etc. The students have access to various central facilities including medical aids, central and departmental library, sports complex, university computer center, cafeteria, shopping complex etc. The department also offers full time M.Tech and Doctoral programme in diverse areas of Electronics and Communication Engineering. The main research activities are ICT in agriculture and rural development, wireless sensor networks, nanotechnology design, spintronics, photonics, fiber optics, optical communication, embedded system, image and video processing, signal processing, VLSI design, soft computing, renewable energy and other interdisciplinary and allied areas.

The department is committed for overall professional and holistic development of students and organized various customized in-house programmes, training and placement activities, curricular and extra-curricular activities, cultural and sports activities to name only a few. Recently, the department has signed Memorandum of Understanding (MOU) with Semi Conductor Laboratory, Department of Space, Government of India, S.A.S Nagar, Punjab and DS Automation & Controls, C-97, Ground Floor, Chattarpur Extension-II, New Delhi-110075, India for the overall growth of the students, faculty and department. The department is associated with professional bodies like ISTE for faculty and students for overall development.

The department has a strong and attracting alumni data base working successful professional career in diverse domains and reputed Govt. organizations, national & multinational companies through on campus/off campus placements like ISRO, UPSC, CISF, public and private banks, Govt. Engineering College & NITs, TCS, Infosys, Dell, Wipro, Reliance, Accenture, Intel, cognizant, Ericsson India, Zscaler, Softech and many more. The successful PG and Ph.D scholars from our department are presently working as faculty, post-doctoral fellows and research scholars in reputed institute nationally and globally. Industrial and educational tours, curricular and extracurricular activities along with workshops, seminars, and expert talks are regularly organized by the department. The department is having students centered ELECOM society for overall professional development

Department of Fashion Technology

Brief Introduction

The Department of Fashion Technology was established in the year 2008 with an aim to provide quality education in the field of fashion, textiles and apparel construction to fulfill the growing demands of fashion and apparel manufacturing industries. Apart from Ph.D, M.Tech and B.Tech in Fashion Technology, the Department has started a new program of B.Voc (Fashion Technology & Apparel Designing) in 2020, which is a skill based course, which aims to provide the students the technical acumen about the process and procedures that are being followed in apparel industries. The graduates can expect training capabilities to work in garment factories in different departments. It is an industry linked specialized training and assessment program started under the Skill Development Initiative of UGC. The department has state of the art laboratories such as Pattern Lab, Garment Construction Lab, Textile and Garment Testing Lab, Advance Research Lab, Computer Lab, Design Studio, Textile Coloration lab, Fabric Formation Lab. Experienced faculty having education from IIT Delhi and NIFT, Delhi with international exposure in UK, USA, Japan is dedicated towards students, understanding the current needs of the fashion industry. The Department has a rich Alumni base with students working in major leading Apparel Units and Brands. Students are assisted to internships and final placements in leading companies of Fashion and Apparels. The students have access to well equipped library as well as subscription to journals/e-journals in the concerned field.

Maru Singh Memorial Institute of Ayurveda

Brief Introduction

M.S.M. Institute of Ayurveda was established for conceiving the idea of nurturing Indian System of Medicine (Ayurveda) in the state of Haryana; the way back in 1973. Since then the institute has projected itself as a glittering star among the gallery of different institutes of university by providing quality education and imparting sound ethical medical culture to the budding students. Now it is a constituent Institute of Bhagat Phool Singh Mahila Vishwavidyalaya, Khanpur Kalan, Sonapat, a state University and recognized under section 2(f) and 12(b) of the UGC Act 1956. The institute is also recognized by the Central Council of Indian Medicine, Government of India, a statutory body for AYUSH education in India. The Institute offers 4 and 1/2 years Under Graduate course of Ayurveda for B.A.M.S. (Bachelor of Ayurvedic Medicine & Surgery) degree. A rotatory essential internship of one year duration follows the depicted period of this degree to augment clinical skills of the students. During the internship period, students are given stipend per month by the institute as per university norms.

Different subjects, dedicated faculty, well equipped laboratories including dissection hall and modernized pathology laboratory are providing hands on classes for the students. An enriched library with more than 10,000 Ayurveda classical and modern books, is available with student's friendly flexible time schedule. A self-regulated well-equipped pharmacy unit is present with standard norms to prepare various traditional and self-formulated medicines for the hospital requirements. The pharmacy manufacturing is supported by sprawling herbarium garden where more than 210 species of herbs are grown.

A 60 bedded hospital of the institute plays a vital role in imparting quality education to sharpen the clinical skills of upcoming doctors. The hospital is potent in dealing with different emergencies round the clock apart from having OPD and IPD facilities with multi-specialty approach. The efficacy of the hospital is also enhanced by using various modern diagnostic tools i.e. 'X'-Ray, ECG and Pathology laboratory. The hospital has maintained its reputation as a referral Centre of specialized myriad Ayurveda treatment & various elective surgical procedures.

A separate seminar hall with a sitting capacity of 200 persons is an integral part of the institution. Hostel facility is also available for the students with full security with in the Campus. Highly motivated and dedicated teaching faculties have always been a tenacious part of the institution and ever ready to guide and elite the student's future with their visionary thoughts and deeds. Our many students got selection in PG courses of India's best Ayurvedic Institutions.

Centre for Society University Interface & Research (CSUIR)

Brief Introduction

The Centre for Society University Interface & Research (CSUIR) is established in August 2010 to bridge the disconnection between Universities and society; which is a rich store house of knowledge and experience. CSUIR is recognized as A Centre of Excellence, which is exclusively working of serving the rural community with the resources, expertise, knowledge and guidance from renowned experts from BPSMV and other International, National and state level organizations. Centre aims to understand the concept of rural sustainability and reinforcing self reliance and empowerment of various sections of the society. CSUIR offers four ad-on courses on Micro finance for Women, Cooperative Management, Folk Medicines and Integrated Renewable Energy Management, in which students take admission from various internal UTDs/institutions of BPSMV, as well as outside/fresher students. Centre organizes various community engagement interventions in the nearby and adopted villages on different socially relevant issues, in such a way which reflects strong character and unique strength of our country and rural society. We have signed memorandum of Understanding with National Cooperative Union of India (NCUI), Delhi for the course of Cooperative Management since-2014. CSUIR and NCUI have collaboration for teaching, training, field work exposure activities for the students, who have taken admission in this course. NCUI also facilitate our students to pursue career in reputed Cooperative Organizations. The Centre also seeks to formulate such programmes for women that recover traditional rural practices; sustain and conserve the vast knowledge reservoir of rural women. During the COVID-19, the CSUIR was continuously involved with community people, Gram Panchayat members in awareness generation in all five adopted villages about COVID-19, vaccination and treatment.

The reservation policy of the State Government of Haryana will be followed strictly for admission to all programmes.

9. Reservation in Different Courses for the Girls of Khanpur Kalan Village

- Two seats may be reserved in every course where the intake of student is 50. For instance graduation degree in the BPSIHL will be considered as one course irrespective of the combination of subjects.
- If during an admission, no eligible girl candidate is available in earmarked category for that year, the vacancy can be offered to the eligible girl candidate in the other reserved categories. If no candidate is available in any one of the reserved categories, the vacancy can be offered to general category of the village, and then it will revert to the open category of seats.

10. Reservation of Seats for the Natives of Bhainswal Kalan

- Only one seat in each course be reserved for the natives of Bhainswal Kalan who have donated land. Wherever numbers of seats are more than 50, then one seat will be increased for every block of 50. This seat will be filled up on rotation basis, starting from general category candidate and taking care of all the categories turn by turn.
- 100% concession in tuition fee in general programmes at PG level and professional programmes at UG/ PG level for those girls whose families have donated land for the university or whose land was acquired.

11. Special Seats for the Students of Jammu & Kashmir

- Two Supernumerary seats be allowed to the students of Jammu & Kashmir in every course of the university from the academic session 2013-14 onwards.

12. As per resolution No. 45 of the 24th meeting of academic council, held on 09/06/2022, the admission under KG to PG Scheme shall also be made with the following modalities/provisions:-

1. Admission under KG to PG Scheme:-
 - (a) 10% supernumerary seats (except in the courses where it is not allowed by the Regulatory body), in UG/PG/Integrated courses being run in the UTDs/institutes/ Regional Centres of BPSMV will be given to all students of Campus School and KGSSS.
 - (b) The admission to the supernumerary seats in the courses will be made as per the eligibility criteria fixed for the courses given in the University prospectus by following the reservation policy of the State Govt./BPSMV.
2. Admission in UG Courses and Integrated Courses:-
 - (a) Candidates should have passed the qualifying examination from Campus School and KGSSS.
 - (b) Separate application will be invited under the scheme and a separate merit list will be prepared for them on the basis of marks in qualifying examination/entrance test as applicable for each course by following the reservation policy.
 - (c) In the event of non-availability of students in this category the same shall not be given to other categories of candidates.
 - (d) Students will have to submit a "Certificate of study" in Campus School and KGSSS duly signed by the concerned Principal.
3. Admission in P.G. Courses:-
 - a) Candidates should have passed the qualifying examination from BPSMV University and 10+ 2 either from Campus School or KGSSS of the University
 - b) Separate application will be invited under this scheme and a separate merit list will be prepared for them on the basis of marks in qualifying exam/entrance test as applicable for each course by following the reservation policy.
 - c) In the event of non-availability of students in this category the same shall not be given to other category of candidates.
 - (d) Students will have to submit a "Certificate of study" in Campus School and KGSSS duly signed by the concerned Principal.

13. Fee Concession for the University Employees

The University employees/ their wards / spouses including the wards of retired employees & wards of employees who die while in service shall be entitled for following concessions:-

- Full tuition fee concession
- Three fourth ($\frac{3}{4}$) of the development fee

14. Admission against Vacant Seats

- If any seat remains vacant in sub categories of BC (A) & BC (B), the same will be filled up through the candidates belonging to other category. For example, if any seat in BC (B) category remains vacant, the same will be filled up from BC(A) category and vice-versa.
- If the candidates in the SC/ST category are not available and the seats still remain vacant, the same may be thrown open to Haryana open category with the approval of the Vicechancellor. In case, the seats in Haryana general category remain vacant at the end, the same will be thrown open to all India open category with the permission of the ViceChancellor. However, if the candidate of SC/ST category approaches the university that she could not present herself at the time of physical presence on sufficient grounds and so reserved seat has been filled up from Haryana open category candidates, the proposal for additional seat (except professional courses in which seat can be increased only with the approval of the professional statutory councils) for that candidate, will be put up by the concerned department. This facility shall be restricted to SC/ST students only.

15. Supernumerary Seats as per Ph.D. Ordinance

- 15% supernumerary seats shall be reserved for foreign students and 01 supernumerary seat in each subject shall be reserved for teachers/employees of the university who qualify the Entrance Test.

Copy of letter No. 1170-SW (I)-95 dated 7.6.95 received from the Commissioner & Secretary to Government, Haryana, Welfare of Scheduled Castes and Backward Classes Department, Haryana, Chandigarh, addressed to all Heads of Departments, Commissioners, Ambala, Hisar, Rohtak and Gurugram Divisions, all Deputy Commissioners & Sub Divisional Officers in Haryana and Registrar, Punjab and Haryana High Court, Chandigarh.

Sub: Exclusion of socially advanced persons/sections (Creamy Layer) from Backward Classes.

Sir,

I am directed to invite your attention to the subject mentioned above and to state that following the Supreme Court judgement in the Indira Sawhney and others versus Union of India case, the Haryana Government vide notification dated 12.10.1993 had set up the Haryana Second Backward Classes Commission. The terms of reference of this Commission were to entertain, examine and recommend upon requests for inclusion and complaints of over-inclusion and under inclusion in the list of Backward Classes. Vide notification dated 26-5-1994, the Commission was also assigned the function of specifying the basis, applying the relevant and requisite socioeconomic criteria to exclude socially advanced persons/sections (Creamy Layer) from Backward Classes.

In its report submitted on 16.5.1995, the Haryana Second Backward Classes Commission had recommended the criteria for excluding socially advanced persons/sections (Creamy Layer) from Backward Classes. After considering these recommendations, the Government has decided that the benefit of reservation shall not apply to persons/sections mentioned in Annexure „A“, which is enclosed.

All the departments are requested to bring the above instructions to the notice of all the Heads of Departments and appointing authorities under their control for necessary compliance.
