## **Vice Chancellor's Message**

It gives me immense pleasure to find the current issue of BPSMV's Annual Report for the year 2017-18. The Annual Report of an institution is a record of its achievements accomplished. I have been a witness to various activities and assignments undertaken by various departments of the university during the year under reckoning. Though my stint at BPSMV has been for the last six to seven months, but even this short period of time has given me the sense of belonging to this great historical institution committed to women empowerment through qualitative education.

The activities enumerated in this issue of Annual report are a testimony of the resolve of the staff and the students. The range of activities pertaining to academic, social, sports, infrastructure and community speaks about our commitment to groom the students studying here to the level of their holistic development of their character and mind. There are a few unique initiatives taken by the university which reflect our determination to juxtapose value education with professional education.

I congratulate each member of the university for contributing to the growth of the university which aims to emerge as one of the premier universities of India within the times to come.

Best wishes.

**Prof. (Dr.) Sat Prakash Bansal**  
**Vice Chancellor**

## SECTION – I

### THE UNIVERSITY

#### Brief Introduction

Today's Bhagat Phool Singh Mahila Vishwavidyalaya is the 'dream come true' of Bhagat Phool Singh Ji (1885-1942) who established a *Gurukul* for girls at Khanpur Kalan in 1936. After the demise of Bhagat Phool Singh his daughter Subhashini not only took control of *Gurukul* but worked vigorously in expanding the *Gurukul* in terms of its various constituent institutions like BPS Memorial Girls' College (1967), BPS College of Education (1968), MSM Ayurvedic College (1973), BPS Mahila Polytechnic (1984), TIG Bhainswal Kalan(1999) and PSD Girls' Law College (2003).

The State Government upgraded the erstwhile *Gurukul* to the status of a University exclusively for women in August 2006 and christened it as Bhagat Phool Singh Mahila Vishwavidyalaya, which happens to be the first State Women University of North India. Since then BPSMV has undergone a complete transformation; the *Gurukul* started with only three girls has turned into a modern university with approximately 6500 girls on its rolls studying in various job oriented programmes from KG to PhD level. The university has established its two regional centres at Kharal (Jind) and Lula Ahir (Rewari).

#### Special Centres

**Centre for Indic-Asian Studies (CIAS):** BPSMV is the first and only university in Haryana to be awarded prestigious Area Study Centre on Indic Asian Studies of UGC which carry out research on issues related to Indo-Asian knowledge systems. CIAS has operationalized its dedicated participative website [www.sthaneshwaranidh.ac.in](http://www.sthaneshwaranidh.ac.in) which contains information on various themes pertaining to Indo-Asian culture and traditions.

**Centre for Society University Interface and Research (CSUIR):** It was established in August 2010 with an aim to bridge the disconnection between University and society. It organizes

courses and activities which are of direct relevance to the rural community and to formulate schemes that recover traditional good agricultural practices and sustain and conserve the vast knowledge reservoir of rural women. The Centre offers innovative courses in three core areas viz. Integrated Energy Resource Management, Microfinance Practices and Folk Medicine.

**Human Resource Development Centre (formerly Academic Staff College):** HRDC at BPSMV offers faculty development programmes to in-service college and university teachers and administrators. It organized refresher courses, orientation courses and workshops during the last year.

**Learning Resource Centre (LRC):** The Learning Resource Centre has six state-of-the-art Language Labs, equipped with latest technological software which helps in effective learning of language skills which are compulsory to learn for all the enrolled students. LRC also imparts training & guidance for appearing in International English proficiency examinations like Business English Certificate (BEC). The LRC is also the research centre for American interns from St. Catherine University from USA to complete their internship programme.

**Staff Training and Research Institute for Teaching of English (STRITE):** STRITE has been established as an autonomous Institute of BPSMV for imparting training in effective teaching of English & operation of language laboratory to school & college teachers.

**University Placement and Counseling Cell (UPACC):** It provides free placement and counseling guidance to all the students.

**University Centre for Judicial Services (UCJS):** It has been established in the University for imparting coaching and guidance for entering into judicial services.

**Central Library:** The Central Library has a stock of approximately 110000 books. It has approximately 7000 users and subscribes to 55 National and International Journals, 100 Magazines & Periodicals and 22 Newspapers (Hindi & English). The library provides access to JSTOR, OXFORD UNIVERSITY PRESS, WILEY INDIA, SPRINGER LINK, TAYLOR AND FRANCIS,

JCCC, HEIN ONLINE, WEST LAWS, and MANUPATRA through UGC INFONET Digital Libraries Consortium. The university has the membership of Developing Library Network (DELNET), Delhi. The central library organized a workshop on Institutional Repository (IR) scheme.

**International MOUs:** BPSMV has signed MOUs with UNDP, ICSI, Kwangwoon University, South Korea and St. Catherine University, USA.
