# RESPECTFUL TRIBUTE

**Bhagat Phool Singh Ji**  
(1885-1942)

Born on February 24, 1885 in Mahra village of Sonapat district, Bhagat Phool Singh Ji was a visionary noble soul. His firm belief in empowerment and emancipation of women through education led him to establish a Gurukul with 03 girls at Khanpur Kalan in 1936. The anti-social elements did not support Bhagat Phool Singh Ji's seminal idea of women's education and consequently assassinated him on August 14, 1942.

**Subhashini Devi**  
(1914-2003)

Bhagat Phool Singh Ji's assassination could not kill the idea of women's education. His legacy and philosophy were continued by his daughter Subhashini. She tried hard to persuade the parents in the nearby villages to get their girls educated and also appealed the rich landlords of the area to donate their land for the noble cause of girls' education. The Government of India recognized her service to the society and conferred Padmashree on Subhashini in 1976.

## VICE CHANCELLOR'S FORWARD

I have great pleasure in sharing the Annual Report of Bhagat Phool Singh Mahila Vishwavidyalaya for the year 2019-2020 and congratulate the University staff for enabling the accomplishments listed in the report.

At the outset, I pay respect to Bhagat Phool Singh Ji, the noble soul who thought of establishing a Gurukul for girls in the year 1936, which has come to be today's BPSMV. It was his seminal idea of empowering women through education, further carried over by his daughter Subhahsini Ji that has revolutionized women's education in Haryana and neighboring States of India. Today's BPSMV is the university uniquely modeled with fine balance of tradition and modernity. Being driven by the motto of societal growth through women's education, the university besides offering qualitative education at affordable cost to rural women has also created a wonderful interface with the society through its special centers like CSUIR, CIAS, HRDC and University teaching departments.

In order to provide international opportunities to our teachers and students, the university has signed MOUs with Durban University of Technology, South Africa, St. Catherine University, USA for Academic Exchange of Ayurvedic Studies, National Cooperative Union of India (NSUI), New Delhi, United Nations Development Programme (UNDP), Shiksha Sanskriti Utthaan Nyaas, Delhi, Haryana Vishwakarma Skill University, Palwal, Haryana. You will be happy to know that the last year we have become partners in *Unnat Bharat Abhiyan*, established National Resource Centre for Philosophy, organized Mission Sahashi and *Gynatosav* (festival of knowledge), were chosen for organizing North Zone Inter-University Women Kabbadi Championship.

I have great pleasure in sharing that the university won two global awards being the "best upcoming university" and "the best university in social/community engagement and impact".

BPSMV has undergone huge expansion on both academic and infrastructure fronts. Almost every facility required for effective teaching learning ambience is available on the university campus. The range of programmes listed in the ensuing pages of the prospectus indicates the academic opportunities available at BPSMV. The students are enabled to be responsible citizens by equipping them with human skills and socio-cultural ethos of India through NSS and NCC units functional in the university. The pollution free environ and availability of all amenities of study and stay for the students makes BPSMV, a sought after destination for higher studies by girl students.

For whatever we could achieve in the last year, I thank His Excellency, Chancellor and Governor of Haryana Shri Satyadeo Narain Arya Ji and Honorable Chief Minister of Haryana Sh. Manohar Lal Ji.

**Best Wishes!**

**Prof. Sushma Yadava**  
Vice Chancellor, BPSMV

## REGISTRAR'S MESSAGE

The Annual Report of Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV) for the year 2019-20 reflects the achievements of the university in various fields like infrastructural development, strengthening of laboratories and other teaching aids, development of students' amenities, nurturing the talent and development of personality of the students, participation and organizing the national and international seminars, conferences, workshops and lectures, excelling achievements of the students in academics, sports, cultural activities, NSS, NCC and other co-curricular activities and international collaborations etc.

Besides its primary mandate to offer affordable quality higher education to girls especially hailing from rural parts of India, BPSMV has been contributing much in societal growth. Being modeled on University-Society interface, the university has conducted many activities in collaboration with local society and particulary women. All such activities are reported in the concerned department's pages.

The university has expanded in terms of construction of new buildings, renovation of existing infrastructure, introduction of new academic courses, sports infrastructure, purchase of new equipment and adding new transport vehicles to the existing fleet. The expansion will definitely facilitate better teaching learning oppourtinities.

The next major milestone we wish to achieve is to get the university accredited with NAAC's the best possible grade and NIRF ranking. The objectives are challenging but I am quite sure that with the help of committed staff and meticulous planning, the university will accompalish these milestones as well.

BPSMV could accompalish its objectives because of unstinted support and guidance of His Excellency, Chancellor and Governor of Haryana Shri Satyadeo Narain Arya Ji and Honorable Chief Minister of Haryana Sh. Manohar Lal Ji. We are grateful to both of them for mentoring the University.

I congratulate the entire BPSMV's teaching and non-teaching staff for achieving the success listed in the annual report 2019-2020, sharing which is a great pleasure and privilege for me.

**Best Wishes!**

**Dr. Kiran Kamboj**  
**Registrar**

## SECTION – I

### The University

#### Brief Introduction of the University

The seed of today's Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV) was sown way back in the year 1936. The journey began with the establishment of a Girls' Gurukul with three girls in the first batch at Khanpur Kalan by revered Bhagat Phool Singh Ji whose seminal idea of empowering women through education was a revolutionary progressive giant step. The idea in fact could be termed as a precursor to today's *Beti Bachao Beti Padhao* campaign. The erstwhile Gurukul established purely through philanthropic means not only expanded but also became a sought after centre of higher learning and education for girls. Bhagat Phool Singh Ji's vision and the hard work done by his daughter Padamshree Subhashini turned the Gurukul into a premier institution modeled on Indian values and ethos. It was in August 2006, the Government of Haryana thought of giving a firm shape to the idea conceived by Bhagat Phool Singh Ji and upgraded the Gurukul and its constituent institutions to a women's university mandated to further the original idea of Bhagat Phool Singhji; "Women Empowerment through Education". Since then, BPSMV has expanded on all fronts and offers a range of academic job oriented programmes touching almost all aspects of life and career. Establishment of University's two Regional Centres at Kharal (Jind) and Krishan Nagar (Rewari) and affiliation of 05 women colleges with BPSMV is the testimony of its commitment and growing stature. BPSMV enjoys the distinction of being a university practicing 'University Society Interface' through community engagement, which is its core strength.

 गोहाना। गांव खानपुर कलां स्थित बीपीएस महिला विवि में शुक्रवार को हरियाणा एड्स कंट्रोल सोसायटी के सहयोग से एड्स जागरूकता संगोष्ठी आयोजित की गई। संगोष्ठी में लगभग 18 रेड रिबन क्लब के सदस्य व विवि के 26 कार्यक्रम अधिकारियों ने भाग लिया। वीसी प्रो. सुषमा यादव ने कहा कि लोगों में एचआईवी के प्रति जागरूकता लाने के लिए सभी को प्रयास करने चाहिए। सावधानी और बचाव ही

इसका बेहतर उपाय है। यह बीमारी हाथ मिलाने, गले लगने या एक दूसरे के साथ रहने से नहीं फैलती। सरकार की ओर से एचआईवी की जांच एवं इलाज सरकार द्वारा बिल्कुल मुफ्त किया जाता है। यह सुविधा जिला अस्पताल के अतिरिक्त ब्लॉक स्तरीय अस्पतालों में भी उपलब्ध है। उप सिविल सर्जन डा. तरुण यादव ने कहा कि एचआईवी एक ऐसा वायरस है जो केवल मानव शरीर में ही पाया जाता है तथा मनुष्य की रोग प्रतिरोधक क्षमता को धीरे-धीरे कम कर देता है या फिर नष्ट भी कर देता है। इस दौरान रेड रिबन कोआर्डिनेटर सुषमा जोशी, काउंसलर डॉ. उजिता, डॉ. राखी, सुरेंद्र कुमार, सरोज बाला आदि मौजूद रहे।
