RESPECTFUL TRIBUTE

Bhagat Phool Singh Ji
(1885 – 1942)

Subhashini Devi Ji
(1914 – 2003)

Bhagat Phool Singh Ji: Born on February 24, 1885 in Mahra village of Sonapat district, Bhagat Phool Singh Ji was a visionary noble soul. His firm belief in empowerment and emancipation of women through education led him to establish a Gurukul with 03 girls at Khanpur Kalan in 1936. The anti - social elements did not support Bhagat Phool Singh Ji's seminal idea of women's education and consequently assassinated him on August 14, 1942.

Subhashini Devi Ji: Bhagat Phool Singh Ji's assassination could not diminish the idea of women's education. His legacy and philosophy were continued by his daughter Subhashini. She tried hard to persuade the parents in the nearby villages to get their girls educated and also appealed the rich landlords of the area to donate their land for the noble cause of Girls' Education. The Government of India recognized her service to the society and conferred Padmashree on Subhashini in 1976.

Vice Chancellor's Message

While sharing the current issue of *Spark*, I experience the sense of satisfaction and happiness at the progress made by the university during the period included in the Newsletter. It gives us an opportunity to introspect and analyze in terms of contribution made to the growth of the university. The eclectic range of activities listed in *Spark*, indicates the holistic approach being practiced by BPSMV. The significant work done by the committed team of BPSMV's Internal Quality Assurance Cell (IQAC) in submitting the Self Study Report (SSR) to NAAC is commendable, which in fact will facilitate accreditation of BPSMV by NAAC. We have prepared ourselves for implementation of NEP 2020 in the academic life of BPSMV. The staff of the university has been adequately sensitized and made aware of the seminal import of NEP 2020. With the commencement of new academic session, the university once again (post COVID) is in its full operational mode. The students are going to experience memorable moments of their life through academic, cultural and sports activities planned for the ongoing academic session.

"Owing to its genesis in Gurukul Parampara, BPSMV offers an opportunity to juxtapose tradition with modernity; the students are expected to be educated with the core element of Indian values"

I take this opportunity to reiterate the aim of education as enunciated by Mahatma Gandhi Ji – fusion of rootedness and openness. BPSMV is the rare example of this model. Owing to its genesis in *Gurukul Parampara*, BPSMV offers an opportunity to juxtapose tradition with modernity. As British theologian C.S. Lewis said, "education without values makes one a cleverer devil", I expect the students of BPSMV to be educated with the core element of Indian values.

Once again, I am glad to share *Spark* with esteemed readers and invite their valuable suggestions for making BPSMV, one of the premier centers of higher education for women.

Best Wishes

The University

Since Vedic period, education has empowered women in several ways. One such seminal and historical step in this direction was establishment of the Girls' Gurukul by Bhagat Phool Singh Ji in 1936 at village Khanpur Kalan in Sonapat district of Haryana State. The noble work initiated by Bhagat Phool Singh Ji was continued by his daughter Padamshree Subhahshini Devi Ji benefitting thousands of rural women. The erstwhile Gurukul was turned into a State University in August 2006 exclusively for women named after Bhagat Phool Singh Ji as Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV).

The University has the distinction of being North India's the first State Women University spread over pollution free 400 acres of campus. Also the university is unique in the sense that it functions on the model of 'society-university interface', juxtaposition of tradition and modernity and having its genesis in the philanthropic tradition. The Girls' Gurukul started with just three girls has come to be today's BPSMV with approximately 7000 girls on its rolls enrolled in 90 academic programmes; PhD in 11 subjects, Post Graduation in 21 subjects, Graduation in 28 subjects, PG Diploma, Diploma and Certificate programmes in 30 subjects administered through its 17 University Teaching Departments, 03 Constituent Institutions, 05 Special Centers, 02 Regional Centers and 06 affiliated Government Women Colleges. The University has turned out to be a sought after destination by women for getting modern education grounded in Indian tradition and universal human values.

भगत फूल सिंह महिला विश्वविद्यालय गौरव की पहचान
गाँव खानपुर सोनीपत में हरियाणा की है यह शान
विश्वविद्यालय वंदन तुमको, वंदन शत अभिवंदन
उत्तर भारत का हरियाणा गीता का जहाँ ज्ञान
दूध-दही की बहती धारा पर - पीड़ा का ध्यान
भगत फूल सिंह ऐसा हुआ, जिसने किया नारी उत्थान
अपने जीवन की दी कुर्बानी, किया कार्य महान
सन् 36 में बना गुरुकुल सुभाषिणी ने सम्भाली कमान
वत्सल भाव से किया था पोषण, पद्यश्री का मिला सम्मान
2006 में हुआ निर्मित महिला विश्वविद्यालय महान
यहां खुला नारी शिक्षा का एक नया आयाम
कठिन रास्तों पर चलने का इसको मिला ऐसा वरदान
बना रहा सारी दुनिया में यह अपनी नई पहचान
सपनों को साकार किया, भरी नई उड़ान
साक्षर और सक्षम होकर छू लिया है आसमान
विश्वविद्यालय वंदन तुमको - वंदन शत अभिनंदन
