RESPECTFUL TRIBUTE

Bhagat Phool Singh Ji: Born on February 24, 1885 in Mahra village of Sonapat district, Bhagat Phool Singh Ji was a visionary noble soul. His firm belief in empowerment and emancipation of women through education led him to establish a Gurukul with 03 girls at Khanpur Kalan in 1936. The anti - social elements did not support Bhagat Phool Singh Ji's seminal idea of women's education and consequently assassinated him on August 14, 1942.

Subhashini Devi Ji: Bhagat Phool Singh Ji's assassination could not diminish the idea of women's education. His legacy and philosophy were continued by his daughter Subhashini. She tried hard to persuade the parents in the nearby villages to get their girls educated and also appealed the rich landlords of the area to donate their land for the noble cause of Girls' Education. The Government of India recognized her service to the society and conferred Padmashree on Subhashini in 1976.

Vice Chancellor's Message

Esteemed Reader,

Indeed, it is a matter of joy and satisfaction for me to share the latest issue of *Spark*, the BPS Newsletter. While sharing the previous issue of *Spark*, I made certain promises on growth and development of Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV), particularly on its accreditation by NAAC. I feel proud and happy to share that BPSMV has been accredited by NAAC with B++ grade, which in fact is a decent grade for any institution in the first cycle of assessment. The accredited status of the University will enable our faculty and students to avail academic grants from funding agencies.

The University got an opportunity to host the closing ceremony of 75 Lakh *Suryanamaskar Abhiyan* on its campus. Approximately 10 thousand students from BPSMV and other educational institutions participated in the mega event led by Yog Guru Swami Ramdev Ji Maharaj and coordinated by Haryana Yog Ayog. The Government of Haryana was represented by Shri J.P. Dalal, Agriculture Minister, Haryana. Swami Ramdevji conducted training workshops on Yog for University staff and students on this occasion. We have initiated several steps to boost infrastructure facilities particularly sports infrastructure. As a result our students have excelled at national championships like 'Khelo India Khelo' etc.

The current issue of *Spark* enlists and enumerates the range of activities we undertook during the last months.

I invite the esteemed readers to join us in making BPSMV dream destination for quality education rooted in Indian ethos and values.

Best Wishes
