CSRBOX in collaboration with IBM SkillsBuild brings you the **Winter Micro-Internship Program** where students from **Bhagat Phool Singh Mahila Vishwavidyalaya** will get an opportunity to learn from the subject expert, get mentored by industry professionals, and compete with students from other colleges at the national level for **FREE**.

We are currently conducting the Winter Micro-Internship Program in the following thematic Areas:

1. **DATA VISUALISATION USING AI TOOLS:** Data Analytics integrates with Artificial Intelligence seamlessly to augment your analytics journey and visualize data to derive meaningful outcomes. Be it getting data from the public web, creating formulas or SQL queries, or generating synonyms for columns, use AI to get your job done fast and right. **IBM will be hosting a *Data Visualisation using AI Tools* virtual Winter Internship program for 2 weeks starting from 21st December 2023 to 4th January 2024** where students will explore the power of data visualization through Python, Power BI, and AI tools in our workshop. Learn to transform raw data into meaningful insights using advanced AI-driven visualization libraries. Gain hands-on experience in creating compelling visual representations to effectively communicate data-driven stories.

2. **PLACEMENT ASSISTANCE PROGRAM:** Join our **Virtual Placement Assistance Program from December 22, 2023, to January 5, 2024,** where students can seize the chance to enhance their job application skills. It's a two-week opportunity to work on your CVs and LinkedIn profiles, all for free! Dive into masterclasses conducted by industry professionals covering topics such as developing your Social Media Brand (LinkedIn), excelling in the workplace, creating professional CVs, and mastering the art of acing interviews. Don't miss out on this valuable career-building experience where we offer career assistance to guide students in finding suitable employment opportunities and preparing them for job interviews. The program also aids in network development and industry connections.

On behalf of your college, students have to participate individually. You can encourage students to fill in their details from your college to the **REGISTRATION LINK.**

- **Registration Link:** https://bit.ly/IBMWinterInternship
- **Deadline:** 18th December 2023 (Monday End of the Day)
- **QR Code to Register:**

All participants will receive **participation certificates, social media promotion, and employment benefits** from our end on successful completion.
For further information about the IBM SkillsBuild Internship Programs, you may refer to the **flyer** attached here.
