# Pedagogical Innovations-NEP 2020.

## INTERNATIONAL CONFERENCE

Blended Mode

On

(24<sup>th</sup> and 25<sup>th</sup> March, 2023)

### About the Conference

It is widely accepted that an educational system's effectiveness is largely dependent on the caliber of its faculty. Teachers must prepare students to take on new difficulties in a world that is changing quickly, therefore innovation in teaching methods has become crucial for keeping students interested and engaged. The urgent need is to move beyond the traditional approach of teaching and testing and instead create an environment that is supportive and conducive to innovation. The teaching method necessitates being innovative. Innovativeness prepares students for their challenges.

### Objective of the Conference

It is the responsibility of scholars, educationists and thinkers to deliberate and come out with ideas to find out the different innovating pedagogy as per NEP-2020 so that the future teachers will prepare accordingly. It is in this background that the present venture has been made by arranging a conference for the teachers, planners and thinkers to find solutions for adopting new pedagogy.

## About the University

The University, established in 2006, traces its roots back to 1936 when Bhagat Ji started a Kanya Gurukul. The dream lived, after Bhagat Ji's assassination, in the efforts of his daughter Behan Subhashini ji, who expanded the Gurukul by adding various Institutes, which are imparting education to girls even today. The First State University for Women in North India, BPS Mahila Vishwavidyalaya relentlessly strives to live up to its dream of "Empowering Women through Education". Having started with three girls, it today boasts of more than 7000 students garnering knowledge in various U.G. and P.G. Programmes being run in various Institutes and Departments
