VICE CHANCELLOR'S MESSAGE

Dear Students and Parents,

I have great pleasure in welcoming you to Bhagat Phool Singh Mahila Vishwavidyalaya, Khanpur Kalan (BPSMV), the University created in August 2006 to accomplish the noble aim of empowering females by providing them affordable and qualitative higher education. Because of its genesis in the Gurukul tradition (started as a Girls' Gurukul in 1936), BPSMV is committed to empower and emancipate women particularly hailing from rural parts of India. Known for its 'society - university interface model', BPSMV has been significantly contributing in social transformation of rural society and preservation of Indian heritage and culture.

The University offers good teaching-learning ambience through state-of-the-art infrastructure in hostels, classrooms, sports complex, student activity centre, library and offers a vast range of academic programmes through its UTDs/Institutes/Regional Centres/Special Centres/Polytechnic and Schools listed in the following pages of the prospectus. Besides PhD seats, there are approximately 3430 seats on offer for fresh admissions. The University's core mandate is to train its students for leadership roles in various walks of life. The students are trained to be thoughtful, skilful and responsible citizens through several capacity building activities carried out through NSS, NCC and other co-curricular programmes.

BPSMV being a unique example of 'tradition-modernity interface', the students are offered international academic exposure through various MOUs signed by us with a few prestigious institutes and organizations of repute. The University has been accredited by NAAC with B++ grade and is completely funded by the Government of Haryana. The faculty consists of well qualified and trained teachers with vast experience. I am happy to share that the University has implemented the NEP 2020 in all its Undergraduate programmes from 2024-25 session and intends to do the same for its Post graduate programmes from 2025-26 session.

While welcoming you to BPSMV, I urge upon you to make the best use of facilities available and also share your ideas for making BPSMV a premier women university of India.

With profound reverence, I iterate the grand statement (*Mahavakya*) of our revered founder Bhagat Phool Singh Ji, "भारतीय मूल्य प्रणाली में शिक्षित महिलाएं ही वास्तव में समतावादी और प्रगतिशील समाज का निर्माण कर सकती हैं।" which translates into English language as "women who are educated in the Indian value system can bring about a truly egalitarian and progressive society."

Jai Bharat

SECTION – I

Brief Introduction

The seed of today's Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV) was sown way back in the year 1936. The journey began with the establishment of a Girls' Gurukul with three girls in the first batch at Khanpur Kalan by revered Bhagat Phool Singh Ji (1885-1942) whose seminal idea of 'empowering women through education' was a revolutionary progressive giant step. The idea in fact could be termed as a precursor to today's 'Beti Bachao Beti Padhao' campaign. The erstwhile Gurukul established purely through philanthropic means, not only expanded but also became a sought after centre of higher learning and education for girls. Bhagat Phool Singh Ji's vision and the hard work done by his daughter Padamshree Subhashini turned the Gurukul into a premier institution modelled on Indian values and ethos. It was in August 2006, the Government of Haryana thought of giving a firm shape to the idea conceived by Bhagat Phool Singh Ji and upgraded the Gurukul and its constituent institutions to a women's university mandated to further the original idea of Bhagat Phool Singh ji; "Women Empowerment Through Education". Since then BPSMV has expanded on all fronts and offers a range of academic job oriented programmes touching almost all aspects of life and career. Establishment of University's two Regional Centres at Kharal (Jind) and Krishan Nagar (Rewari) and affiliation of 06 women colleges with BPSMV is the testimony of its commitment and growing stature. BPSMV enjoys the distinction of being a university practicing 'University Society Interface' through community engagement, which is its core strength.

DEPARTMENT OF FOREIGN LANGUAGES

The programmes offered by the department are part-time in nature.

Brief Introduction:

The Department of Foreign Languages has been established in the year 2007 with an objective of enabling the students to learn and acquaint with modern foreign languages and cultures of the world. Foreign language learning improves the intellectual capabilities of the students as people who speak two languages have more grey matter in the language region of the brain; the earlier they learned the language, the larger the grey area (Mechelli et al., 2004). A language represents the 'thought' of a culture (Humboldt) and learning a language allows one to come into contact with the 'thought' and culture of another society. Globalization and economic liberalization (India, 1991) increased the demand for foreign language experts dramatically. Currently the department designs and offers courses at various levels in three foreign languages; French, German and Russian.
