### **AcademicandProfessionalAchievements:**

Dr. Sushil, Assistant Professor in the Department of Education since July 2007, holds a Doctorate in Education and postgraduate degrees in Biochemistry and Education. He has authored several influential books on Educational Technology and Information Communication Technology. As the Convenor of the M.Ed. Program and Coordinator of Teaching Practicum, Internship, and Research Cell, Dr. Sushil has reformed the internship program by introducing stipends and forging connections with private schools, thus providing students with practical experience and financial support. He also serves as the Co-Convenor of the Campus Placement Cell, facilitating job opportunities for final-year students in M.A. Edu, M.Ed., and B.Ed. programs. Additionally, Dr. Sushil has actively participated in numerous national and international seminars and conferences, presenting research papers and contributing to global educational discourse. Dr. Sushil continues to drive innovation and excellence in teaching, research, and student development within the department.
