### VISION

To prepare prospective Secondary Stage school teachers who are dedicated and committed to the teaching profession, socially aware and concerned, morally upright, and spiritually oriented, in alignment with the founding values of Bhagat Phool Singh Mahila Vishwavidyalaya.

### MISSION

The Department of Education, BPSMV, is committed to providing quality teacher education through a rigorous, consistent, and comprehensive programme that equips student teachers with theoretical knowledge and practical pursuits, enabling them to serve effectively at the Secondary Stage of school education.

### A2. INTRODUCTION OF THE COURSE

The Integrated Teacher Education Programme (ITEP) is a momentous initiative by the National Council for Teacher Education (NCTE) to ensure that outstanding students enter the teaching profession. Its primary objective is to equip educators with the necessary skills and knowledge to effectively teach students at the Foundational, Preparatory, Middle, and Secondary Stages, following the revised educational framework outlined in the National Education Policy (NEP) 2020. The Department of Education, Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV), Khanpur Kalan, Sonapat, Haryana, offers the Four-Year Integrated Teacher Education Programme (ITEP) in two streams: B.A. B.Ed. (Arts & Humanities) and B.Sc. B.Ed. (Science). Both are dual-major holistic bachelor's degree programmes designed strictly as per the NCTE Regulation 2021, the NCTE Suggestive Curriculum Framework 2023, and NEP 2020.

A student undergoing this programme at the Department of Education, BPSMV, will be grounded in Indian values, languages, knowledge, ethos, tribal tradition, and well-versed in the latest advances in

education and pedagogy. The programme caters to the need for 21st Century Skills, empowering women learners in particular, in consonance with the University's mandate.

The teacher must be at the centre of the fundamental reforms in the education system. The ITEP shall be offered after Senior Secondary (+2) or its equivalent examination, as per the NEP 2020 structure of 5+3+3+4 of schooling. It integrates disciplinary and professional knowledge to recruit the very best and brightest for the teaching profession.

The ITEP programme emphasizes preparing teachers as envisaged in the Pedagogical and Curricular restructuring of school education under NEP 2020. Apart from preparing teachers for school education, the disciplinary knowledge gained in different subjects would help student teachers to gain in-depth knowledge in their specific subject(s), ensuring eligibility for higher studies and higher professional qualifications.

The ITEP at BPSMV aims at the dual purpose of providing student teachers disciplinary knowledge along with professional knowledge in an integrated manner. Since the programme will be equivalent to an Undergraduate Degree (B.A./B.Sc.) and a Teacher Education Degree, the curriculum of this programme includes different courses and activities essential for both degrees.

### **A3. ITEP WITH SECONDARY STAGE SPECIALIZATION**

#### **A3.1 B.A. B.Ed. (Secondary Stage)**

This programme will qualify student teachers for teaching in Grades 9 and 10 (Secondary Stage). The Secondary Stage requires teachers who possess deep disciplinary knowledge and sound pedagogical skills in Arts and Humanities subjects.

#### **A3.2 B.Sc. B.Ed. (Secondary Stage)**

This programme will qualify student teachers for teaching in Grades 9 and 10 (Secondary Stage) in Science and Mathematics. The curriculum integrates deep content knowledge in science disciplines. Student teachers will develop competency in inquiry-based, laboratory-supported, and activity-based teaching approaches appropriate for the Secondary Stage.

#### **A3.3 Intake & Fees Structure**

The basic unit shall comprise fifty (50) students each for:

- B.A. B.Ed. (Secondary Stage) — 50 seats (Rs 20,000/- per semester)
