### International Gita Mahotsav

Kurukshetra, the sacred land of the Bhagavad Gita, hosts the International Gita Mahotsav every year to celebrate the timeless wisdom delivered by Lord Krishna on this very soil. This global festival brings together scholars, spiritual leaders, cultural performers, and devotees from across the world to honor the Gita through discourses, exhibitions, yajnas, and vibrant cultural events. The Mahotsav highlights the universal relevance of the Gita's teachings—promoting peace, harmony, duty, and self-realization. It also showcases the cultural, historical, and spiritual heritage of Kurukshetra on an international stage. Aligning with this spirit, our seminar seeks to explore the Gita's profound insights in the context of holistic health and wellbeing. Thus, the event becomes a meaningful academic contribution to this annual celebration of timeless knowledge.
