## Report on Inaugural Session of Entrepreneurship Awareness Program (EAP)

under MSME-ESDP Scheme\*\*

The Entrepreneurship Awareness Program (EAP) under the Entrepreneurship cum Skill Development Program (ESDP) scheme of the Ministry of Micro, Small and Medium Enterprises (MSME), Government of India, was successfully inaugurated on 12th December 2025 at the Swavlamban Kendra, Bhagat Phool Singh Mahila Vishwavidyalaya (BPSMV), Khanpur Kalan, Sonapat, Haryana.

The inaugural programme commenced at 11:00 a.m. with a Floral Tribute to Bhagat Phool Singh Ji, paying homage to his ideals and vision of social empowerment. This was followed by a visit to the Exhibition of Entrepreneurs (11:10 a.m. – 11:20 a.m.), where innovative products and entrepreneurial initiatives by established entrepreneurs and students were showcased. The exhibition provided students with valuable real-world exposure to entrepreneurship and the MSME ecosystem.

The formal inaugural session began with the welcome of guests, followed by Lamp Lighting and Saraswati Vandana, symbolizing the pursuit of knowledge and wisdom. Distinguished guests were felicitated thereafter.

A brief overview of the program was presented by Prof. Anshu Bhardwaj, Nodal Officer, MSME ESDP, who highlighted the objectives of the EAP and its role in fostering entrepreneurial skills, self-employment, and innovation among students.

The session was further enriched by inspiring words from Dr. Reeta Sharma, who motivated students to explore entrepreneurship as a viable and impactful career option. The Keynote Address was delivered by Prof. Somnath Sachdeva, Hon'ble Vice-Chancellor, Kurukshetra University, Kurukshetra, who emphasized the importance of entrepreneurship, skill development, and innovation in nation-building and women empowerment.

The programme concluded with Concluding Remarks by Prof. Sudesh, Hon'ble Vice-Chancellor, BPSMV, who appreciated the efforts of the organizing team and encouraged students to actively participate in entrepreneurship-oriented initiatives. This was followed by the Vote of Thanks by Prof. Suman B. Kuhar and the rendition of the National Anthem, marking the formal conclusion of the inaugural session at 1:35 p.m.

The inaugural session of the Entrepreneurship Awareness Program was highly informative and motivating. It successfully sensitized students towards entrepreneurship, innovation, and the opportunities available under the MSME sector. The event marked a significant step towards nurturing entrepreneurial culture and skill development among young learners of the university.

  
Anshu Bhardwaj

## REPORT ON SAMSKARA PG ORIENTATION PROGRAMME

The Samskara PG Orientation Programme (2025-26) was successfully organized by MSM Institute of Ayurveda under the aegis of Bhagat Phool Singh Mahila Vishwavidyalaya, Khanpur Kalan, Sonapat (Haryana).

**The programme was conducted under the guidance of Dr Naresh Kumar as Convener and Dr Amit Sharma as Co-Convener(Organising Secretary)**

The programme was conducted from 1st December 2025 to 22nd December 2025, with holidays observed on 7th, 14th, and 21st December 2025. The primary aim of the programme was to orient newly admitted postgraduate students towards the academic structure, clinical responsibilities, research methodology, ethical conduct, and holistic development required during postgraduate studies in Ayurveda.

  
Dr. A. R. S. x

The programme commenced with an inaugural session and opening ceremony held at the Conference Hall, MSMIOA. An expert lecture on the importance of research in higher studies emphasized evidence-based practice, scientific writing, and critical thinking. The objectives and structure of the Transition Curriculum were explained in detail to help students understand academic expectations and responsibilities.

Academic enrichment remained a key focus throughout the programme. Lectures on Ayurveda and its scientific importance reinforced integration of classical knowledge with modern science. Sessions on research design, research basics, sampling techniques, patents, and intellectual property rights prepared students for dissertation work and academic publications.

Practical exposure was provided through community camp duty and hospital visits, enabling students to gain experience in patient care, hospital etiquette, and standard operating procedures. Participation in a national seminar at Kurukshetra broadened students' understanding of holistic healthcare concepts.

Regular computer classes enhanced digital skills, while special sessions on Artificial Intelligence, ChatGPT, and data science introduced modern tools in academics and research. Personality development sessions on stress management, time management, goal setting, communication skills, ethics, yoga, and sports promoted mental and physical well-being.

Institutional visits to the central library, herbal garden, HRDC, language research centre, and audio lab familiarized students with academic resources. Entrepreneurship programmes encouraged innovation and leadership.

Know your campus: A guided tour of the entire campus and facilities. Students are to be made into batches of suitable size and Guided by faculty members

Departmental Introduction: Officials from the respective units are introduced.  
Orientation to Student council and activities

- i. Pre-test was conducted immediately after Inaugural function.
- ii. Post-test and Feedback was taken at the end of the PG orientation programme

The programme concluded with a valedictory function on 22nd December 2025. Overall, the Samskara PG Orientation Programme was comprehensive and impactful, preparing students for academic excellence, research competence, and professional ethics.

  
Dr. A. F. Singh

## SAMSKARA PG ORIENTATION PROGRAMME (2025-2026)

### Day 1 (01/12/2025)

Sessions on research orientation and transition curriculum laid a strong academic foundation for postgraduate studies.

*At the end of the day we have learned the importance of research orientation and clarity about the postgraduate academic structure.*

### Day 2 (02/12/2025)

Participation in the national seminar and Geeta Mahotsava broadened philosophical and holistic health perspectives.

*At the end of the day we have learned the value of Indian philosophy and holistic approaches to health.*

### Day 3 (03/12/2025)

Village camp duty and hospital visit provided hands-on exposure to community and clinical practices.

## TRANSITIONAL CURRICULUM

For MD (Ayu) – Kayachikitsa and Dravyaguna Vigyan-(2025-26)

(01.12.2025 to 18.12.2025)

Our visionary Amar Balidani Mahatma Bhagat Phool Singh Ji dreamed of the gender equality and women empowerment by educating females 105 years back. He established a Kanya Gurukul in 1936 with 03 girls. After his sacrifice in 1942, Padamsini Behan Subhanshini Devi dedicated her life towards her father's commitment and made the Gurukul a heavenly education Centre for girls by adding many disciplines of higher education to this Gurukul. The Maru Singh Memorial Institute of Ayurveda, a pearl added to this string in 1975, proved a great milestone in the mission of women empowerment. Now it is a constituent college of Bhagat Phool Singh Mahila Vishwavidyalaya, Khanpur Kalan, Sonapat, a state University and recognized under section 2(f) and 12(b) of the UGC Act 1956. We are carrying the great legacy since last 51 years and celebrated the year 2023 as Golden Jubilee year. Under the prudent leadership and guidance of our Honourable Vice Chancellor, the MSM Institute of Ayurveda added a feather in its glory by getting permission to start P.G. Course in two subjects/specialization viz. Kaya Chikitsa and Dravya Guna Vigyan. We are thrilled to welcome our Second PG batch 2025 marking a significant milestone in our institution's 50 year history. This expansion of academic offerings underscores our commitment to excellence in medical education and research.

### Introduction

The postgraduation courses in Ayurveda are meant to offer M.D./M.S. degree in specific field of Ayurveda. To prepare and orient the Ayurveda graduates for post-graduate education, some common subjects which are not part of the PG curriculum but needed for post-graduate education, that facilitates smooth and effective learning process are identified and incorporated in to 'PG Orientation Program (Transformation to Proficient Research Scholar)'. Hence, visionary NCISM (National Commission for Indian System of Medicine), the apex statutory body, designed Transitional curriculum for PG Courses in Ayurveda, which intends to develop good social as well as professional traits and values in the P.G. Scholars by sensitising them on subjects like personality development, soft skills, effective communication skills, attitudes, professional and social code of conduct, campus behaviours etc.

The NCISM is keen to inculcate high professional values and attitude in the new entrants to the P.G. Courses. Hence, components/ subjects of this P.G. transitional curriculum covers motivational lectures/talks by eminent Clinicians/Industrialists/educationists/social icons, holistic approach towards medical profession, goal setting and visionary attitude, time

  
Dr. Anil Kumar

management, team building, leadership qualities etc.

The subjects of this program like complete overview of P.G. Curriculum and syllabi, subjects & components of PG Courses, P.G. activities during entire course duration, presentation skills, clinical case presentation, activities and scope of research organizations like Central Council for Research in Ayurvedic Sciences (CCRAS), Central Council for Research in Unani Medicine (CCRUM), Central Council for Research in Siddha (CCRS). knowledge of basic operation and programs of computer shall help new scholars to attain professional soundness.

In true spirit, its worth to say, the P.G. transitional curriculum aims to give 360° vision and approach to future Ayurvedic experts at the very beginning of their professional journey.

#### Objectives of Transitional Curriculum

1. Orientation of the college/Institutional campus and the available facilities.
2. Orientation to the Office procedures, campus rules and regulations, code of conduct and dress codes, if any, rules and procedures for availing leave, procedures for availing library facility, anti-ragging committee and squad, safety apps and so on.
3. Introduction of the official of the campus, hierarchy and their roles.
4. Introduction to various PG academic activities.
5. Able to develop Congenial atmosphere in the campus
6. Personality development, Team building, Gender sensitization, etc
7. Goal setting
8. To enhance the critical thinking, problem solving and decision making abilities.
9. To cultivate leadership, communication and interpersonal skills
10. Understand Medical research, medical ethics and law

#### Duration of Course

The Transitional Curriculum shall be of ninety hours (Preferably 6hrs\* 15 days. 01.12.2025 to 18.12.2025)
